**lord primo: Nike & il demone del tormento** Tiziano Baroni, 2017-12-21 Endeth è tornato, e il rancore sopito in secoli di prigionia colpirà tutti i regni. Vecchi alleati saranno chiamati agli antichi giuramenti, antichi quasi quanto il mondo stesso, giuramenti che forse nessuno più ricorda... Endeth si sta muovendo, ma il suo scopo ancora non ci è chiaro. Gilnar, i Galar di Arleor, Senes Ablevus Feranold, gli Ordokh... Tante sono le pedine del suo gioco, e forse Endeth ci conosce meglio di quanto noi conosciamo lui, e questo è il suo grande vantaggio. Se tutto va come ho previsto, a breve il grande disegno diverrà realtà, ma non sempre tutto va secondo i piani, le forze in campo sono molteplici, e per quanta esperienza io abbia, non sempre tutto va come deve andare... Sebbene nessuno possa prevedere l'esito di una guerra tra uomini, gli Umani non sono gli unici su queste terre a voler dire da loro... Nuove reclute verranno mandate al macello, come ogni anno... His son and heir is a ten month-old baby. The land is ruled by a council of quarreling nobles, the country is uncertain and the throne is shaky. A mysterious secret society called The Black Flame threatens the very foundations of the law, the Church, and the kingdom itself in a deep and terrible conspiracy of murder, treason, sorcery and devil worship. On the windswept northern coast of England stand Burnstow Abbey and the convent of St. Regula, headquarters for the Black Flame and the setting for deeds of debauchery and depravity of a kind to shock even the hardened fifteenth century. Royal agents sent to investigate vanish or wash up on the shore dead. Graves are opened and bodies taken for blasphemous and terrifying occult rites. Young women enter the convent of St. Regula and never come out. A young novice at the abbey, Arthur Fitzroy, the bastard son of the late King Henry, is found horribly murdered in an obscene parody of the crucifixion. The regents must take action, and so they send in the Middle Ages' most har-boiled detective: Sir Thomas Clave, the Black Knight. Murdering monks, poisoning prioresses, scheming royal uncles, back street assassins, a mad alchemist, a beautiful and dangerous Queen of the Witches, the Black Knight cuts his way through them all to discover the truth and prevent the final horror set for All Hallows' Eve.
